**next** is a very special record for me. Its music tells the indescribable emotions of becoming a father and reflects the excitement, fear, anxiety and joy of starting this great new adventure. All this, after the difficult years of the pandemic.

- Thanks a lot to Xavi, Mauro and Sander, for their dedication and their terrific playing.
- Thanks to Micha, Sergio, Daniëlle, for their fundamental help.
- Thanks to John Weijers and Zennez Records, for helping to publish this work.
- Thanks to Stichting Droom en Daad and Sena Muziekproducties for their support.
- The biggest thanks goes to Vivienne, for giving me the greatest gift of life.

\* And thanks to my inspiration, my little Olivia Xiao-Zhen, to whom I dedicate this record.  
Papa loves you.
